Invitation to Participate in National Science Week

DATE: 29 July - 03 August 2019 | **VENUE:** Sci-Bono Discovery Centre

Sci-Bono Discovery Centre warmly invites you and your organization to participate in **National Science Week 2019**, taking place from **29 July to 03 August 2019**. National Science Week is a countrywide celebration of science. It will always be an initiative of the Sci-Bono Discovery Centre on **MSTE** (Mathematics, Science, Engineering and Technology) which aims to excite our youth about science at an early age and to encourage them to develop an interest in studying mathematics and science subjects.

THEME

Facing the Harsh Realities of Climate Change

OBJECTIVES

- To raise awareness and increase public understanding of science.
- To highlight and excite learners, teachers & the general public about the importance of Mathematics, Science, Engineering and Technology in our daily lives.
- To showcase career opportunities in Mathematics, Science, Engineering and Technology.
- To showcase the many new frontiers of science today that are worth celebrating and which will enable us to build our future.

TARGET

6000 learners | Grade 8 – 11 | Monday to Friday from 09:00 to 13:00

If you would like to showcase your organization at National Science Week through interactive workshops, engaging presentations and extraordinary exhibitions please complete the attached forms and email them to the following:
