Subject: **CFO/SCM/SSIP/R21-22/03: Postponement of Residential Camps Support Programmes during the Winter Vacation Period (in terms of Circular S12 of 2021 and Government Gazette; Vol. 672, 29 June 2021, No. 44779)**

We thank you for your proposal in respect of Procurement of Accommodation to support Grade 12 learners, Ref: **CFO/SCM/SSIP/R21-22/03**.

We regret to inform you that Sci- Bono has decided to postpone the residential camps that were to take place on the **10 of July 2021**. The reason for postponement is due to high rising number of **COVID-19** cases that led to schools closing earlier than expected and the above circular.

As the organisation we prioritize the safety of Learners, and all stakeholders involve in this project. All bidders will be informed in time and in writing; on the dates that will be decided when the laws and regulations allow for the holding of residential camps. The bidders will also be informed whether, the current tender will continue or there will be a new tender process.

Yours sincerely
